

Chef's Playground Eatery - Website Evaluation FormName: Gordon WuPosition: Owner / Chef

Overall, how satisfied are you with the product?

- ☒ Very satisfied
- ☐ Satisfied
- ☐ Neutral
- ☐ Unsatisfied
- ☐ Very Unsatisfied

Did you find the product to be user-friendly?

Yes, I like the scroll button. Is very user-friendly.
I like a page that's talk about past chef's series.

What impressed you most about the product?

The presentation, the asses to the menu, the map on the
bottom of each page

Was there anything you disliked? How would you like it to be improved?

Not thing really as I am very impress of the page
design.

Is there anything you would like to see added to the product?

To include the link to skip the dishes program.

Closing comments: very nice, a job well done. Better
than my original web site.
